How to connect between Madrid airport and trains stations: Atocha and Chamartin located in the city center.

You are entitled to a free train ticket from/to Madrid airport using train line C1 departing from Terminal 4 when travelling on AVE and long distance trains.

How to obtain free ticket:

Train ticket vending machines can be found in both the airport station and the stations in Madrid**.** There are five ticket machines at Madrid Airport. If you are unsure of how to use the vending machine, please look for an official staff member wearing a high visibility jacket - there is normally somebody manning the machines that can help.

You will need to enter in the 5 digit pass code called **"CombinadoCercanias"** which is located in the left upper corner of your PDF ticket (example below). You may also be able to scan the barcode to retrieve your ticket.
