About Korail:

Korail, established in South Korea since 1963, operates as the nation's premier railway service. Serving as a vital link, Korail connects major cities like Seoul, Busan, and Daegu, while also traversing scenic routes. With its modern trains and extensive network, Korail provides efficient travel options throughout South Korea. AccesRail 9B offers Korail services from Incheon Airport.

9B and Korail:

The train range is: 9B 1100-1299

All services are available as Rail-Air and Air-Rail.

Check-in Process:

Check-in is essential to ensure a smooth travel experience.

Passengers must check-in to retrieve their actual travel documents. Check-in can be done beginning 72-hours prior to departure. Check-in is done on <https://check-in.accesrail.com/#/step1> (See Figure 5) using the passenger's name as it appears in the booking and either the booking reference or 13-digit ticket number.

There is no through check-in for passengers or baggage

Customers can email AccesRail at checkin.help@accesrail.com for any assistance on check-in.

When the passenger checks-in they will receive their train ticket to or from Seoul station (See Figure 6).

For connecting services between Incheon Airport and Seoul Station, a second ticket for the AREX Express Train is issued and provided at check-in for that specific service (See Figure 7).

Passengers can then save their ticket to their device and/or print it.

Interline passengers with a service in/out of Incheon Airport will be provided with an information page at the time of check-in to assist the passenger on how to proceed between the airport and train station (See Figure 8).

Airport Transfers:

Bookings for journeys between Incheon Airport and destinations within South Korea will require a change of train at Seoul Station. The AREX Express service between Incheon Airport and Seoul Station will be booked together with the connecting service and the passenger will receive two tickets, one for the AREX Express Train and one for the high-speed Korail service out of Seoul Station.

AccessRail
How to get from Incheon International Airport Terminals to the AREX Train Station

The Express Trains (direct trains to Seoul Station): Departs from Incheon International Airport Terminal 1 and Incheon International Airport Terminal 2. The journey takes 45 minutes. The AREX terminal is a 5-10 minute walk from Arrivals.

From Arrivals, clear Customs and collect your bags. Follow the Airport Railroad signs and head to the basement floor via escalator or lift.

Once on the platform, please note that passengers with an AREX Express ticket can choose to travel on the All-Stop train instead. It stops at several stations along the way. The journey takes within 55 to 60 minutes.

At Seoul Station, the AREX and All-Stop trains arrive at the second-floor basement.

From Seoul Station to Incheon Airport or Gimpo Airport

The AREX train service at Seoul Station is located on the 2nd floor basement. Follow the signs to "Airport Railroad", AREX has direct services to Terminals 1 and 2. It does not stop at Gimpo Airport.

The All-Stop trains are also located on the 2nd floor basement. The All-Stop trains will make 11 to 12 stops before reaching Incheon Airport. The All-Stop trains do stop at Gimpo Airport.

Once at Incheon, follow the signs to Departures.

Luggage:

Korail luggage rules apply. It is the passenger's responsibility to collect their checked bags from the airport and carry them to their respective train and vice-versa. Customer is responsible for their own baggage during the train journey.

On-board Meals:

There are no on-board meals in KTX trains, as the trains are optimized for high capacity. Passengers can buy food and drinks on board from vending machines.

Mobility Assistance:

Mobility assistance for Korail must be requested in advance. Mobility assistance requests for passengers can be made by calling (82) 1544-7788 + 7.

Delays:

In case of train delays, passengers must contact the airline to be re-assigned to the next available flight.

KTX train tickets are valid on the date and time found on the ticket.

In case of flight delays, Korail will provide a seat (if possible) or standing room availability to accommodate the passenger on the next available train.
